About Us

Clayton Caravan Park has been owned and run by the Kennedy family since its inception in 1966. Continued investment in the facilities and infrastructure has yielded many National Tourism Awards. The most prestigious of these being the Visit Scotland 5 Star Holiday Park Award and the Gold David Bellamy Award for conservation. These extremely stringent Quality Assurance schemes recognise exceptional quality in maintenance, facilities, environmental conservation and delivery of customer service on the park. The park is also a member of The British Holiday & Homes Parks Association, the governing body for holiday parks. Despite being one of the largest privately owned parks in the country our family run approach allows us to provide a personal service to all of our customers.

Salmon fishing can be enjoyed on the river however a permit is required from Eden Angling Association.

We have a large dog walking area extending to about 4 acres which lies adjacent to the River Eden. There are river walks through an area which is designated as a Site of Special Scientific Interest. There is also plenty to keep wildlife enthusiasts amused with otters, ospreys, swans, ducks, and an array of different birds regularly spotted on the park.
